

NATIONAL TAIWAN NORMAL UNIVERSITY

Department of Life Science, College of Science

Yuying Hsu

Ph.D., Syracuse University, USA

Animal contest, dog behavior, fish behavior

Shou-Hsien Li

Ph.D., State University New York, Albany, USA

Population genetics and evolution, topics in animal behavior

Chung-Chi Chen

Ph.D., University of Maryland, USA

Ecological modelling, system ecology, planktonic ecology, estuarine ecology, nutrient dynamics, experimental ecosystems

Yu-Feng Hsu

Ph.D., University of California, Berkeley, USA

Entomology, phylogenetic systematics

Shih-Ying Hwang

Ph.D., Ohio State University, USA

Genetics, phylogenetics

Chung-Ping Lin

Ph.D., Cornell University, USA

	Treehopper Biology, Vibrational Communication, Molecular Systematics & Phylogenetics, Character Evolution, Phylogeography
<p><u>Teng-Chiu Lin</u></p> <p>Ph.D., The University of Kansas, USA</p> <p>Forest ecology, landscape ecology</p>	<p><u>Jenn-Che Wang</u></p> <p>Ph.D., National Taiwan University, Taiwan</p> <p>Plant systematics and evolution, vegetation ecology</p>
<p><u>Pei-Chun Liao</u></p> <p>Ph.D., National Taiwan Normal University, Taiwan</p> <p>Population genetics; Molecular evolution; Phylogeography; Molecular ecology</p>	<p><u>Si-Min Lin</u></p> <p>Ph.D., National Taiwan Normal University, Taiwan</p> <p>Herpetology, phylogenetics and systematics, conservation genetics, phylogeography, population dynamics of amphibians and reptiles</p>
<p><u>Tsu-Wei Wang</u></p> <p>Ph.D., University of Michigan, USA</p> <p>Neuroscience, developmental neurobiology, neural stem cell</p>	<p><u>Chi-Chien Kuo</u></p> <p>Ph.D., University of California, Davis, USA</p> <p>Disease Ecology, Ecological Immunology, Ecological Parasitology, Mammalogy</p>

[Pei-Jen Lee Shaner](#)

Ph.D., University of Virginia, USA

Small mammal population biology, foraging behavior, stable isotope ecology, ecological niche modeling

[Li-Yih Lin](#)

Ph.D., National Defense Medical Center, Taiwan

Fish Ecophysiology, Aquatic toxicology
