

# **TUNGHAI UNIVERSITY**

## **Center for Ecology and Environment, Department of Life Science**

### **[Link for Faculty list](#)**

#### **Jyh-Min Chiang**

Ohio University, Ph.D.  
Ecosystem ecology, plant ecophysiology, plant community ecology

#### **Mingli Hsieh**

University of California, Los Angeles, Ph.D.  
Neurodegenerative disorder, mitochondrial disease, molecular medicine

#### **Guang-Yuh Hwang**

Utah State University, Ph.D.  
Virology, molecular biology

#### **Yeong-Choy Kam**

University of Florida, Ph.D.  
Herpetology, vertebrate zoology

#### **Hui-Chen Lin**

Pennsylvania State University, Ph.D.  
Physiological ecology, evolutionary physiology, aquatic biology and wetland ecology

#### **Liang-Kong Lin**

Kyushu University, Ph.D.  
Wildlife ecology, conservation biology, mammalogy

<p><b><u>Yiching Lin</u></b></p> <p>University of Illinois, Urbana-Champaign, Ph.D.</p> <p>Plant ecology, population and community ecology, quantitative ecology, spatial analysis</p>	<p><b><u>Shao-Lun (Allen) Liu</u></b></p> <p>University of British Columbia, Ph.D.</p> <p>Plant ecology, population and community ecology, quantitative ecology, spatial analysis</p>
<p><b><u>I-Min Tso</u></b></p> <p>University of Michigan, Ph.D.</p> <p>Behavior Ecology</p>	<p><b><u>Pi-Han Wang</u></b></p> <p>University of Birmingham, Ph.D.</p> <p>Mycology, microbiology, biology, general biology</p>
<p><b><u>Kuo-Chang Wen</u></b></p> <p>James Cook University, PhD</p> <p>Coral reef fish ecology, marine reserves, environmental impact assessment, marine field ecology and conservation biology</p>	<p><b><u>Chia-Hao Chang</u></b></p> <p>University of Bari Aldo Moro, PhD</p> <p>PCR, DNA, DNA Extraction, Cloning, RNA, Molecular Biology, DNA Sequencing, DNA Amplification</p>
<p><b>Department of Chemistry</b></p>	

**Min-Chieh Chuang**

National Cheng Kung University, Ph.D.

Analytical Chemistry, electrochemistry, biosensors  
electrocatalysis, bioelectronics

**Yuan-Hao Hsu**

UC Riverside, Ph.D.

Aging disease, biochemistry, medical applications of mass  
spectrometry

**Department of Statistics**

**Pao-Sheng Shen**

University of Kentucky Ph. D.

Survival Analysis, analysis of variance components, sampling  
survey
